The Western Reserve Railroad Association (dba The Painesville Railroad Museum) is dedicated to the restoration of the NYC Painesville Depot, preserving railroad history and promoting model railroading. It is now the home to the Collinwood "999" Engine and tender (built in 1932 at the Collinwood Yards) along with an 1865 horse-drawn trolley, both of which are housed in the new Engine Barn. The museum property is also home to a beautifully restored 1927 B & O caboose and a CSX 70 foot Box Car.

Come visit The Painesville Railroad Museum and its static displays beginning at 4:00 P.M. A picnic dinner will be ready at 6:00 P.M. to include our famous HoBo Beans, along with hot dogs, hamburgers, sandwich making and all the condiments.

Let's make this a true picnic at the 132 year old Depot and asking members to bring Appetizer or Desert

This invitation is cordially extended to
All members and their guests.
MEMBER COST \$15.00 EACH
With an appetizer or dessert.
