Well Summer is now here and so our summer events have started, including the Collinwood 999 Engine appearances and parades. Our first appearance is this week, Tuesday, June 11th at Painesville Lions Club Safety Town at Maple School. See list on Page 2.

Our next Parade is June 23rd .at the Mayfield Hts., Family Day parade.

Our Model Train Day was a great success and showed a nice profit.

Our Ghost Hunt had about 10 guests and Cathi Webber donated all the funds to the Museum. Thank you Cathi.

Our next event is an Open House and model train flea market. June 22, 2024 and yes Ho-Bo beans is on the menu.

Our Engine Barn is moving at a good pace and should be done with our part by the middle of July. See page 3 and 4.

Other projects for the summer is extending our fencing around the Engine Barn and Box Car. We have a meeting on June 20th for a offset variance to locate the fence for the street.

We would like to start the restoration on the Trolley and don't forget the little red Train ( otherwise know at the 333 ).

It's hard to believe that in one month the Engine Barn has gone from Studs to insulation.

And from insulation to drywall including tap and mudding and sanding for paint.
